let's whorechalk, you bad bad boy..!

Print out this card - it should fit in your wallet as it is based on a standard business card size. When you find a hot piece of ass for sale in your town or suburb, then leave a chalk symbol for other to find.

Let me know if you have suggestions or changes to the whorechalking symbol language, have an alternative version you have made or pictures of whorechalking you've come across to **whorechalking@plasticbag.org**
[send URLs of prostitutes, rent boys and other cool shit please]

let's whorechalk, you slut..!

note this down, bitch...!

bad joke based on blackbeltjones.com/warchalking

You like it like that!

version history

7.7.2002 whorechalking pocketcard v1

ripped off blackbeltjones.com/warchalking/ in most self-evidently infantile thing I have ever done in my life. very proud of self.
